Secondary joint member - Joint memberships where anyone can sign to transact on the account are eligible to register to the Internet Savings Account. Otherwise, if all must sign to operate the account you are unable to access this account.

Please transfer the amount of \$ _____ (Min \$2000) from my Circle account _____ to my Beyond 2000 Internet Saver Account

Please find cheque for amount of \$ _____ (Min \$2000) to open my Beyond 2000 Internet Saver Account

Terms and conditions

- Funds above the minimum balance amount are available at call and can be accessed only via transfers using Internet Banking or PhoneLink.
- The membership must be registered as a user of Internet Banking to be eligible to open an Internet Savings Account. Internet Savings Accounts are not available where two or more parties must sign to transact on the account.
- Interest is calculated on the daily balance and credited to the account monthly, or when the account is closed.
- Internet Banking daily transaction limits apply. Refer to our General Terms and Conditions – Transaction Limits for details of transaction limits.
- Staff assisted transactions are not available for this account.
- A minimum balance of \$2000 must remain in the account to remain open. To close the account, all requests must be made in writing.
- Interest rate can be varied at any time.
- Direct Salary crediting, direct credits and transfers from other financial institutions can be set-up to automatically deposit funds into the account.
- The following services are not available on the Internet Savings account: cash and cheque withdrawals, member cheque book, VISA card, periodical payments and direct debits from the account. Personal accounts only - NO BUSINESS ACCOUNTS allowed.
- The Banking Code of Practice, which sets standards of disclosure and conduct for dealing with our Members, applies to this service.
- Circle reserves the right to change the terms and conditions.

NetLink Internet Banking

To access your Beyond 2000 Internet Savings account, you must register (if not already registered) for NetLink, our Internet Banking facility.

Please activate the NetLink account access facility

Please activate the PhoneLink account access facility

Please Note: You must supply an identification code (as indicated right) which we will use to confirm your identity by telephone before supplying you with an initial access code for NetLink and/or PhoneLink

Your Identification Code for NetLink and Phone Banking: Please choose a code that will not be forgotten.

Declaration

I/We acknowledge that I/we have read the Internet Savings Account's Terms & Conditions and agree to abide by these Terms & Conditions. Additionally, I/We acknowledge that, in the event of a joint membership where either party is able to sign, the account will automatically be available for **both** parties to transact on within these terms and conditions unless otherwise required.
